Kinly

Congtatulations with your own personal online meetingroom. Here you can, just as a regular meetingroom, talk and collaborate with people that are there. The location looks like this; **https://pexip.me/meet/42650202**.

1

Prepare

Browse to **https://pexip.me/meet** and login with your credentials .

For the best experience use Google Chrome.

Note: we recommend this option for desktop/laptop use only. When using a mobile device use the app.

2

Participate

Open the link that you've received in the e-mail invite (example); **https://pexip.me/meet/42650202**

Welcome to the room
How would you like to join?
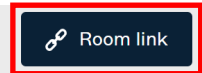

Join through browser

OR JOIN USING

Click 'Join through browser' to access the meeting. If you're a guest, enter your name.

3

Invite

In the app and webversion easily create your own meeting. On the top of your screen find the 'Room Link' button.

dstevens.vmr@pexip.kinly.com

Room link

Click the button. Now simply share the link in a regular invite like outlook.

If you use Outlook as your primary scheduling software; install the plugin for the best experience.
